

Take the Journey

Discipleship is a beautiful, difficult, puddle-filled narrow path. But if we pay attention, we can see others traveling the same path. Sometimes we help and sometimes we learn from others as we move along. Sometimes, we sit and enjoy the view. But Christ calls us to follow Him; to continue on our journey into spiritual maturity. This brochure is an overview of the many ways we are seeking to help one another on this beautiful path. Come, Walk With Us.

..and walk in the way of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God.

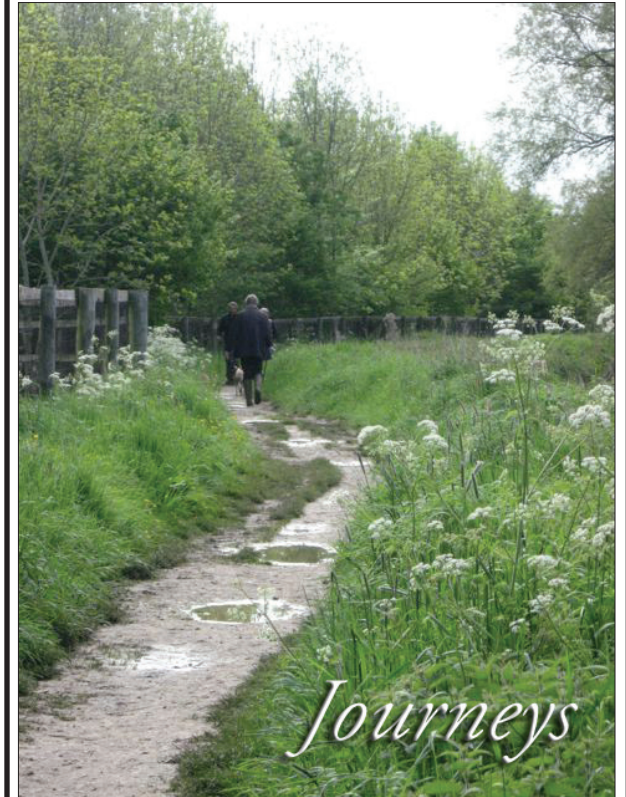

Ephesians 5:2

Christianity without discipleship is always Christianity without Christ.
