ONE BRICK ORDER PER PAGE

What will your brick say?

Fill in the 3 lines below within the allotted number of spaces.

TEXT WILL BE CENTERED

When construction began on the new building and refurbishing of Palmer Hall, we saved the brick pavers from in front of the building to be used in a patio area when construction was completed. This is a great tradition that we want to continue at SunCreek. Bricks were purchased in honor of people, classes, and programs. Some bricks were purchased in memory of a person special to them or their family.

So, for a donation of \$100 or more, you can purchase a brick to be added to these bricks from the past. All proceeds will go to furnishing the new building. The order form explains how many letters can be engraved on each brick.
